

NEW CHILDREN STARTING IN KINDERGARTEN

We're currently taking enrolments for those children who will be starting in kindergarten next year. If you have a little one due to start, click [HERE](#) for instructions on how to complete his/her online enrolment.

CHRISTMAS PARTY 2022

We're looking forward to this year's Christmas party with all those children who attended our service this year. We'd love to have parents along as well so feel free to come along for that afternoon if you can, although it's not compulsory of course. We'll be hiring a jumping castle, running a movie, enjoying music, dancing and great food. Click on the image to download your child's invitation.

ROAD SAFETY REMINDER

We've noticed some of the children are a little unsettled as the year draws to a close and are not fully concentrating on the journeys to and from school. Safe roadside behaviour includes – walking on the footpaths at all times unless directed to cross by a staff member, staying behind the front staff member at all times, paying full attention to their surroundings and not getting distracted by conversations/play/listening to devices.

Rest assured that we take our responsibility to keep the children safe very seriously and we are vigilant in reminding the children and watching to see that they follow these practices. However, as parents you can support us by reminding your children of these things during the calmer and quieter times they have with you at home.

We would really appreciate it if you could do this and help reinforce child roadside safety on the way to and from Tanderra, especially now at this time of the year as everyone feels tired and ready for a break.

LOST PROPERTY

A reminder that all lost property items will be disposed of at the end of this year. Please ensure you check carefully for your child's belongings before then.

COVID NOTIFICATIONS

Covid cases are on the increase. We need to from you if you or a member of your household who has been in contact with our service tests positive. Please notify us by phone or email if this happens.

WHAT TO BRING IN VACATION CARE

If your child is coming in vacation care, please remember to provide the following each day:

- Sun safe hat (broad-brimmed)
- 3 meals in packed lunch form (morning tea, lunch and afternoon tea) – no 3-minute noodles please as they're not safe in a large group environment
- Sunscreen - unless you're happy for your child to use ours
- Check the programme each day for excursions/in-house events and details of what to bring

REMEMBER TO LET US KNOW IF YOUR CHILD WILL BE AWAY

Finally, a quick reminder to please let us know if your child will be away from a booked session in before, after or vacation care. This saves staff the worry of verifying the whereabouts of missing children and also frees up spaces for other children who may need care. Thank you ☺

That's all for now. Thanks for reading our newsletter and we hope Santa is good to you all!

From the Tanderra staff: Suzanne, Aunty Simone, Therese, Lucy, Pheobe, Sharon, Dallas, Hallam & Daisy
