

This form complies with Education & Care National Regulations r102D. Changes to this section of the National Regulations commence **1 October 2020**.

For all regular transportation, authorisation from a parent/guardian should be obtained once every 12 months. All routes must be included.

A regular outing has been defined as: "a walk, drive or trip to and from a destination a. that the service visits regularly as part of its educational program; and b. where the circumstances relevant to the risk assessment are substantially the same on each outing." Reg 4 (1). This definition captures both casual and permanent bookings where the travel that occurs during particular sessions is substantively the same each session.

Accompanying Documents
