

END OF STAY-AT-HOME ORDERS

End of stay-at-home orders announced for school children

Dear Parents and Carers

As you have probably heard, the NSW Government has announced that school children may return to schools and education and care services from 18 October, 2021.

From this date, the government will no longer be allowing childcare services to apply the fee waiver for children with places on hold. This means that fees will be charged for children with permanent bookings at our service from this date.

If your child has been learning from home throughout this period and not attending our service, we will be expecting your child to return to their usual booking pattern from the week commencing 18 October.

If your child's school will be staggering the student return dates and your child will NOT be returning to school and Tanderra until after week starting 18 October, please let us know via email ASAP. We will adjust your child's booking so that fees will be charged from the date you advise us.

If you have any questions about any of this, please don't hesitate to let me know.

We are very much looking forward to the children's return to our service and we know that many families are gratefully anticipating the return to normal routine. Wishing you all a wonderful long weekend.

Kind regards

Suzanne Allnutt
(Nominated Supervisor/Co-ordinator)
